EnviroWash™

Industrial Cleaner & Surface-Wash

TECHSHEET

EnvirotekCorporation
Ultimate Surface Cleaners

PRODUCT DESCRIPTION

Envirowash is specially formulated to quickly dissolve: rust, oxidation, mineral/lime deposits, surface-stains, dirt, grease, grime, weld-markers & more. From most hard surfaces, including: concrete, metal, masonry, tile, glass, stainless steel, etc. **Envirowash** replaces traditional acid cleaners, such as: hydrochloric and phosphoric acids.
Envirowash is fast acting & non-voc (volatile organic compounds) cleaner. **Envirowash** is a non-fuming and non-caustic, surface cleaner that is phosphate-free, and has added corrosion inhibitors to protect surfaces while cleaning. **Envirowash** is non-regulated (by DOT) and may be shipped easily by most ground carriers. Made in the USA. **Envirotek**Corporaiton Los Angeles CA 213.290.0509
Please Note: all raw material on found on EPA Safer Chemical Ingredients List.
